

\ Feedback Form

This feedback form has been designed to be completed having reviewed the information shared at our public exhibition or on the project website.

Please let us know your views and provide feedback. If you would like to be kept updated on the project, please fill in your contact details below.

☐ Please tick here if you are happy to be contacted via the details given below:

Name:	
Email address:	
Postal address:	
Telephone number:	

The project

Are you supportive of this proposal?

- ☐ Yes
☐ No
☐ Unsure

Please outline what you consider the benefits to be and what concerns you have, if any.

Benefits:

--

Concerns:

Do you have any views on our environmental considerations for this project? Are there any other environmental considerations we should take into account?

Do you think there is anything else we should consider as we develop our plans?

Privacy Statement

By completing this form you are agreeing that Windel Energy and associated companies can hold and process your personal data.

Windel Energy will only share your personal data with companies within the project team, and in certain circumstances, specific project consultants for planning evaluation purposes only.

Your identifiable, personal data will not be used for any other purposes without your consent.

Depending on the nature of your enquiry/feedback, Windel Energy and associated companies will only use your data to:

- Respond to specific questions or enquiries submitted via this feedback form.
- Send you updates about a specific project (where you provide us with your contact details).
- Develop a pre-application consultation report (or similar document) that will be submitted as part of a planning application; this will be a publicly available document where your comments will be anonymous.

If you provide us with your contact details, we might also contact you to ask you more about any comments you've made.

Your data will be stored in line with the GDPR.

Read our full Privacy Policy on our website.
